Date: November 28, 2025

To whom it may concern,

This letter is issued to formally confirm that BRUNO AZEVEDO SOUZA, resident in the State of São Paulo, Brazil, has been providing professional technical support services to New Brand Trading Company Ltda. as a Senior Technical Support Specialist since January 15, 2018, and continues to do so to the present date.

R\$ 1,700.00 per month (Brazilian Real), equivalent to approximately R\$ 28.33 per hour.

Work setting: Hybrid (onsite + remote).

Main duties performed (aligned with NOC 22221):

- Onsite and remote technical support.
- Preventive and corrective maintenance of IT equipment.
- Notebook repair (screen replacement, connectors, and minor repairs).
- Support, cleaning, repair, and replacement of parts in printers.
- Configuration and management of wired and wireless networks.
- Planning and execution of network and electrical infrastructure projects for IT.
- Technical consulting and recommendation of technological solutions for the company.

Mr. Souza has consistently performed all assigned tasks with professionalism, technical competence, and high-quality service standards throughout his time with our organization.

We confirm that all information contained in this letter is accurate and can be verified directly with our company upon request by IRCC or any competent authority.
